1. Introduction

This Handbook has been prepared by UniSA Sport to assist club officials and others involved in UniSA Sport Clubs in effective administration, development, and marketing of their clubs. It should also be used in conjunction with the resources available on the UniSA Sport website, www.unisport.edu.au.

All current and incoming club officials are encouraged to read this handbook carefully, especially those sections that are relevant to their role within their club, and familiarise themselves with the necessary procedures related to communication between Clubs and UniSA Sport, finances and club services available through UniSA Sport.

UniSA Sport is here to support all clubs and their committee members, who are free to discuss any issues, ideas or problems in relation to the operation of their club with the UniSA Sport staff.

UniSA Sport is here to provide help and assistance to Clubs in whatever form this may take. The UniSA Sport office is in Pridham Hall, UniSA City west campus. Please make an appointment with the relevant staff member to confirm their availability before arriving.

Key UniSA Sport staff members are:

Position	Name	Phone	Email
Manager	Adrian George	(08) 8302 3487	adrian.george@unisa.edu.au
Club & Participation Coordinator	Deanna Kennedy	(08) 8302 0477	Deanna.kennedy@unisa.edu.au
Intersports Sport & Events Coordinator	Bridget Fenoughty	(08) 8302 0920	bridget.fenoughty@unisa.edu.au
Team Leader Facilities	Simon Keane	(08) 8302 1799	simon.keane@unisa.edu.au
Facilities Sports Coordinator	Jacob Gracey	(08) 8302 1790	Jacob.gracey@unisa.edu.au

Good luck for the year ahead and we hope you all have a successful year/season.

2. Who Is UniSA Sport and How Can We Help?

UniSA Sport is the gateway to all things sport at UniSA. Established in 2013, UniSA Sport is a part of UniSA and as such operates within its governance and management framework with the following key strategic priorities:

Profile	To increase the awareness and profile of UniSA sport within the university and the broader community
Participation	To increase participation and engagement by students, staff, alumni and community in clubs, facilities and events
Placement	To maximise opportunities for student placements across the university

Staff are responsible for the day-to-day business activities of UniSA Sport, their roles and duties include:

2.1 Manager

Overall responsibility for the successful management of UniSA Sport, including University relations, financial reporting, strategic and action plans, special events, financial support, governance and staff coordination.

2.2 Club & Participation Coordinator

The Club & Participation Coordinator is the first point of contact for clubs, their role is to provide support to the Clubs for affiliation/endorsement, recruitment and retention, facility bookings, grants, finances, club membership, insurance queries and general enquiries.

2.3 Intersport Sport & Events Officer

The Intersport Sport & Events Officer will liaise with clubs to assist in the coordination of UniSA Sports involvement in representative events (UniSport Nationals & SA Challenge), promo events (e.g. Campus Fair & Clubs Fest) and the annual UniSA Sport Awards Night.

2.4 Team Leader: UniSA Sport Facilities

The Team Leader is responsible for overseeing all UniSA Sport facilities and facility coordinators on each of the four campuses. Managing the UniSA gyms, stadiums and pool.

2.5 Facilities Sports Coordinator

The Facilities Sports Coordinator is responsible for all UniSA Sport customer service staff and aquatic staff and oversees all aspects of UniSA Sport's multi-purpose sports courts at Pridham Hall, Mawson Lakes and Magill as well as aquatic operations at Pridham Hall.

UniSA Sport is supported by a Sport Advisory Group. This group comprises of a mix of external industry experts, staff and students, tasked with providing strategic advice and feedback on the implementation and management of the UniSA Sport Action Plan.

There is also a UniSA Sport Student Advisory Group comprising of only UniSA students from a variety of backgrounds and sporting interests. Selection will be by application and club committee members are encouraged to be a part of this group.

3. Club Membership

3.1 Affiliated/Endorsed UniSA Sports Club

UniSA Sport have implemented a Club Membership Policy to better formalise the structure, management and support available to UniSA Sport Clubs.

The policy is based on a two tiered structure classifying clubs into one of two categories; affiliated or endorsed.

3.1.1 Affiliated Club

An affiliated club is one which must:

- Maintain a minimum 10 senior members;
- Maintain 51% UniSA student membership;
- Ensure all students and non-students are registered UniSA Sport members annually;
- Provide an annual club member list indicating current UniSA Student and non-student members for affiliation assessment;
- Have a formal committee with up to date records and contacts provided to UniSA Sport at all times. Committee to consist of 50% UniSA students, staff or alumni of which 2 must be students.

Affiliated clubs are recognised as a formal UniSA club with full access to the range of benefits available through UniSA Sport.

3.1.2 Endorsed Club

An endorsed club is one which must:

- Maintain a minimum 10 senior members;
- Have a majority of membership who are not UniSA students;
- Have senior membership with a minimum 10 UniSA students or account for a minimum 25% of the clubs senior membership;
- Provide an annual club member list indicating current UniSA Student and non-student members for endorsement assessment;
- Ensure all UniSA students are registered as UniSA Sport members annually;
- Offer a reduced UniSA student membership fee to that of non UniSA student club members;
- Club committee must have a minimum of one UniSA student represented and one staff, alumni or additional student.

Endorsed clubs will also have access to a range of benefits through UniSA Sport however a number of these will be proportional to the percentage of UniSA student members.

The purpose of this two tiered structure is to enable UniSA Sport to provide students with access to a wide range of sports via an organised club structure. We recognise that it may not currently be possible for an affiliated UniSA club to operate in a number of sports for a variety of reasons, in which case the 'endorsed' club structure provides an opportunity to partner with community based clubs in these sports.

An annual review process will occur with all affiliated and endorsed clubs prior to the 28th February and ongoing documentation required for submission throughout the year. Further details are outlined within the [UniSA Sport Club Membership Policy](#).

Any additional clubs looking to become an affiliated or endorsed club are asked to review the UniSA Sport Club Membership Policy and contact UniSA Sport to organise a meeting to discuss the process further. Those looking to form a new affiliated club with UniSA Sport are required to do so via the processes outlined in the [Starting a Club](#) handbook.

3.2 Individual UniSA Sport Clubs & Events Membership

UniSA Sport Clubs & Events Membership is required by all affiliated club members and at a minimum, all student members of endorsed clubs. The membership will provide a maximum 14 months coverage from the 1st February through until the 31st March the following year and can be purchased online via the UniSA Sport website.

Membership Fees:

- free for Current UniSA Students
- \$25 for non-students (including UniSA staff and alumni)

Membership benefits:

- Limited personal injury insurance
- Access to participate in a registered UniSA Sport Club and benefit from the associated club benefits e.g. venue access, grants etc.
- Access, support and subsidies to participate in University Sport Australia sanctioned events including the UniSport Nationals (current students only)
- Access to individual grant support programs (current students only on the Elite Athlete register)
- Discounted ticket to the annual UniSA Sport Awards Night
- UniSA Sport Monthly Member Newsletter subscription

It is your club's responsibility to maintain up to date club member records via the UniSA Sport Membership System or an alternate process to enable membership lists to be submitted to UniSA Sport as required and ensure these members have the appropriate UniSA Sport membership in place.

4.4 Facilities and Room Bookings

UniSA Sport will provide sporting facilities, fields and rooms for trainings, games and meetings free of charge for affiliated clubs only on the following basis:

- a) The required facilities are accessible and suitable to the sport's needs on one of the four University's metropolitan campuses.
- b) If there are no suitable facilities for the sport's needs on one of the four metropolitan campuses, then UniSA Sport will pay the reasonable costs of hiring a suitable venue from a commercial or community provider. Arrangements with external venues must be negotiated via UniSA Sport.

Affiliated Clubs using UniSA Sport facilities on a weekly basis will be required to complete a facility agreement form, the link will be provided.

For ad hoc bookings clubs need to complete a [UniSA Sport Facility Booking Form](#) for UniSA Sport facilities or a [Function & Facility Hire Form](#) for UniSA ovals or rooms. This must be in line with the [UniSA Sport Club Facility Access Guidelines](#). Endorsed clubs should book directly through FM Assist.

UniSA Sport manage all gyms and the pool on campus. Clubs are encouraged to use these facilities with very competitive rates offered. Group rates are available on request via UniSA Sport.

4.5 Club Training Workshops/ Conference

UniSA Sport will deliver a series of training workshops on practical subjects aimed at developing club management skills of Club Officials. Clubs are expected to have a representative at all workshop sessions. UniSA Sport will deliver in partnership with the other SA based Universities an annual Club Conference.

Please check the UniSA Sport website for full details as these become available.

4.6 Club Coaches

Clubs may apply for Grants through UniSA Sport for coaching. The intent of the Grants is to enable participants at the Club to receive higher levels of coaching either through the engagement of an external coach or the development of coaches from within the Club (i.e. obtain Coaching Accreditation).

Clubs that pay a wage to a person for coaching, no matter how small the amount, must seek advice from the Australian Taxation Office (ATO) regarding registration of the coach as an employee. Coaches may be required to have an Australian Business Number (ABN), as a result of the payments.

Should the amounts be small and infrequent, completion of the ATO's Statement by a Supplier form, available from the ATO website may be adequate. This form indicates that the activity is a "private recreational pursuit or hobby". Please take this only as general advice and always confirm with the ATO before making any payments to coaches.

UniSA Sport advises Clubs to hold a [written agreement](#) with each coach. The agreement will provide confirmation of the payments and benefits to be provided by the Club and the services provided in return by the coach (i.e. duties, time requirements, periods of engagement, etc.)

4.7 Grants

UniSA Sport offers a variety of Grants that UniSA Sporting Clubs may apply for, these include:

Club Grants:

- *UniSA Sport Club Operational Grants* (max \$2000 per year) for coaching, uniform and equipment requirements. Two funding periods per year; April and October.
- *UniSA Sport Club Promotional Grants* (max \$300 per year) for promotional/recruitment, marketing material, fundraising activities. Monthly applications close on the last Friday of each month.

*Note – Affiliated clubs only, endorsed clubs should refer to the grant funding details within the club member benefits section for specific details on funding support access.

There are also grants for UniSA Elite Athletes to access, these include:

Individual Grants:

- *Elite Athlete Study Grant* (max \$2000 per year) to UniSA Elite students athletes in financial hardship. Whilst low socio-economic status is the primary criteria, applications will also be considered on other equity indicators.
- *Elite Athlete Grant & Performer Travel Grant* (max \$2,500 per year) provides financial assistance to support attendance at specific state, national and international events, including up to \$1000 to attend UniSport Nationals.

Grant guidelines can be downloaded from the [UniSA Sport website](#) and applications must be submitted online by the relevant closing date.

4.8 Awards

UniSA Sport hold an annual “UniSA Sport Awards” in December each year. Awards will be presented at a gala function to recognise outstanding contributions and performances both in and out of competition.

The list of awards, criteria for each award and past winners can be viewed on the [UniSA Sport website](#).

Nominations will open in October each year, with the finalists and winners selected by a UniSA Sport judging panel.

4.9 Risk Management

All Clubs owe their members a duty of care and therefore both insurance and risk management are crucial components of quality club governance. All clubs should have a risk management plan in place addressing general club management, events and high risk activities.

A number of key areas UniSA Sport encourage clubs to consider in regards to risk management include:

- Hiring qualified coaches or seeking and supporting training for coaches;
- Ensuring all club coaches and committee members with access to individuals personal details have an up to date working With Children Check (WWCC) and comply with the [UniSA Sport Child Safe Environment Guidelines](#);
- Maintaining and having access to first aid kits at club trainings, games and events;
- Ensuring club committee members/personnel complete Applied First Aid training and a qualified first aider is onsite at all times;
- Adhering to UniSA Sport policies, in particular weather, alcohol, infectious diseases, member code of conduct and behavior (all policies whether endorsed by or specific to UniSA Sport are available on the UniSA Sport website);
- Establishing a risk management plan and reviewing it annually.

4.10 Insurance

UniSA Sport Clubs will be covered for Association Liability (Public Liability) and Professional Indemnity insurance through the University's insurance policies. Clubs will be issued with a Certificate of Currency upon request to confirm this, which can be distributed to facility providers and competition managers as required.

The University will also cover all registered and financial UniSA Sport members for limited Personal Injury. Insurance will only apply to eligible clubs and registered individual members undertaking authorised activities. Therefore anyone participating in club activities that does not have UniSA Sport membership, or is participating in an unauthorised or unsanctioned event, will not be covered by insurance for injuries or liabilities and the Club, Club Officials and/or individuals in the Club may be held liable for all expenses. Insurance does not cover social events, such as pub crawls.

In the event of a traumatic event or situation occurring that may have the potential or causes catastrophic outcomes the [UniSA Sport Club Critical Incident Procedure](#) must be adhered to.

To report an incident and make a claim an [Incident Report Form](#) must be completed within seven days of occurrence. This form can be found on the UniSA Sport website.

Each club will be requested to complete a Club Insurance Nomination Form annually as requested by UniSA Sport.

4.11 Club Website & Social Media

UniSA Sport has a website, Facebook and Instagram to promote UniSA Sport and its Clubs.

Please ensure that all details on the UniSA Sport website are accurate and up to date. If your Club has a Facebook page or group we would appreciate if you could please 'Like' the UniSA Sport page and encourage all members to do the same. The Facebook page will be an important source of information for your Club and its members.

Clubs are able to update information on the website by creating an account via the UniSA Sport website. Simply click on "create an account" at the top right of the screen, enter a valid email address, create your account and sign up to your club. New club committee members should seek 'organiser' access via UniSA Sport. A link can be provided on this page to your other club website/s if applicable.

4.12 Promotion & Sponsorship

Clubs should consider the appointment of a Communication & Marketing/Sponsorship Officer on the Club committee in order to ensure that Club activities are made known as widely as possible and additional funding opportunities can be explored.

As sport is generally conducted after-hours and off-campus, it is vital to promote 'on campus'. On-campus publicity is an excellent source for the recruitment of new members. One way of doing this is to get involved with UniSA Sport and university wide on-campus events such as Campus Fair and Clubs Fest. Look out for communication from UniSA Sport about getting involved.

Another way to promote your club is through the following University outlets/mechanisms:

- a) Campus Central – flyers on desk, noticeboards
- b) Club Newsletters
- c) UniSA Sport Facebook page – please follow facebook.com/unisasport and tag the account in posts so we can share any relevant messages.
- d) Campus Noticeboards (UniSA Sport gyms & USASA)
- e) UniSA Sport e-news (various times per year)
- f) Student Experience e-news (published fortnightly)
- g) Regional e-news (published quarterly)
- h) UniSA Sport & Club Website
- i) Other Social Media e.g. Twitter, UniSA Sport Instagram
- j) On campus promotional stalls/events

UniSA Sport clubs have access to a canva account, an online design tool which makes designing simple and convenient. To access canva, www.canva.com contact UniSA Sport for the log on details.

4.13 Recruitment

For a club to continue to be successful, it must recruit a regular supply of new members each year in order to provide longevity. UniSA Sport affiliated clubs are also required to maintain a majority of current students as members – therefore clubs will need to recruit new student members each year to meet this requirement.

Here are some ways to recruit new members, but the possibilities are only limited to your ideas:

- Have a presence at events held at the start of the year, such as Campus Fair;
- Stage regular promotional activities on campus that also fundraise, such as a stall;
- Create an on-campus competition in conjunction with UniSA Sport that engages non-members in your sport;
- Produce promotional posters and post on notice boards on campus;
- Create a regular schedule of Facebook posts that promote the Club and your activities – link to a Club Newsletter that is mailed to a distribution list;
- Offer free come n try sessions throughout the year for interested students to try before formally joining the club particularly after SP2 and SP5 orientation weeks.

4.14 Club Uniforms & Merchandise

UniSA Sport has developed a well-established brand including; colour palette, logos, team name and a fresh design for uniforms and merchandise, for both UniSA Sport and Clubs. UniSA Sport requires all endorsed and affiliated clubs to adopt the branding guidelines for use in promotional materials, publication and uniforms. Please refer to the [Branding and Uniform Guidelines booklet](#).

Clubs must seek approval from UniSA Sport prior to production of uniforms, club merchandise and displaying promotional material.

4.15 Policies

All [policies](#) can be obtained from the UniSA Sport website.

5. Intervarsity Sport

University Sport Australia (USA) is the peak governing body for University sport in Australia. Their role is to govern and advocate university sport and stage the following events and teams:

- UniSport Nationals Div 1 and 2 (multi-sport event)
- UniSport Nationals (single sport event staged throughout the year ie T20 Cricket)
- Summer/Winter Universiade (multi-sport event staged every second year)
- World University Championships & University World Cups (held every two years between each Universiade)

For more information on any of these events, please check the [UniSA Sport website](#) or the [UniSport Australia](#) website.

5.1 Team Manager

UniSA Sport is regularly seeking volunteers to act as Team Managers & Coaches for the sports that attend the UniSport Nationals.

Team Managers will be responsible to UniSA Sport, not the Club, to manage and organise team selection trials, team training sessions, team functions and fundraising. In consultation with UniSA Sport, Team Managers may generally coordinate these through a registered UniSA Sport Club.

5.2 How Clubs Can Get Involved in UniSport Nationals

UniSA Sport will appoint Team Managers for each sport in which UniSA intends to participate. UniSA Sport will consult with a registered club on the appointment of a Team Manager for the same sport.

UniSA Sport Clubs and Team Managers can hold fundraising events to assist in covering the costs associated with competitions. These events will need to be approved by the UniSA Sport prior to the event occurring.

Clubs may provide funds or resources to individuals or the team to further reduce costs.

5.3 How Clubs Can Get Involved in SA Challenge

An event sanctioned by University Sport Australia, the SA Challenge is a multi-sport event featuring teams and participants from South Australia's four universities; University of South Australia, Flinders University, University of Adelaide and Torren's University. The event is focused mostly on encouraging participation rather than high performance.

Clubs will be contacted directly when registrations open, given the opportunity for early registrations

For event dates, registration and further information refer to the [UniSA Sport website](#).

5.4 VC Cup

The VC Cup is an annual competition, for both staff and students, held within the University, whereby Academic and Professional Units compete against one another in a number of events. Points are scored by successfully competing in each event and tallied at the end of the year. Prizes are provided to the winners of each event as well as the overall winning Unit.

The event focus is on encouraging participation and the promotion of health and well-being. UniSA Sport will consult with clubs to be involved in running/promoting the events.

For a schedule of event dates, refer to the [UniSA Sport website](#).

All events are free to participate in and teams are entered through your School team manager, listed on the UniSA Sport website.
