

Gym Access Age Policy – UniSA Sport

To ensure the safety of participants of the UniSA Sport Gym (**Gym**), the minimum age of a person permitted to participate within the Gym facilities is 13.

Minors who are 13-15 years of age are only permitted to participate in the Gym facilities under the following conditions:

1. Both the minor and their parent/guardian must read and co-sign the Membership Application and any other consent forms required.
2. Minors must show evidence of age on signing up as a member of the Gym.
3. Minors must be under direct and active supervision from a parent/guardian who is also a member, at all times.
4. Minors may be subject to restricted access to some facilities and services of the Gym.
5. Minors can only use the facility once a personal program has been developed by a Gym staff member with appropriate qualifications. This may include the minor undertaking a pre-program assessment in which their capabilities are assessed by a Gym staff member.
6. Minors can only access the Gym facilities during staffed hours which are displayed in all Gyms.

Minors aged 16 -17 years of age are subject to the following restrictions:

1. Both the minor and their parent/guardian need to read and co-sign the Membership Application and any other consent forms required.
2. Minors must show evidence of age on signing up as a member of the Gym.
3. Minors can only access the Gym facilities during staffed hours.

Failure to comply with this Policy may result in:

- the cancellation of the minor's membership or further access restrictions being applied to that membership; and
- cancellation of the parent/guardian's membership.
